

Do Now: April 4/28

- Based on our lesson yesterday, what does the assassination of Archduke Franz Ferdinand have to do with the outbreak of WWI?
- What other factors influenced the outbreak of war besides his assassination?

Objective

- We will examine how militarism, alliance, imperialism, and nationalism led to WWI

WWI Jigsaw

- First you will read about one category.
- You will discuss it in your expert groups.
- Then you will get into mixed groups and discuss your topic with others.
- You will be expected to fully understand each category by the end of the activity.
- We will have a review quiz. The winning team will get a bonus classwork grade.
- Questions?
